- Ms. Bright will invite Ms Welch to our next AAC meeting.
- Veterinary Science Program, PWC Career and Technical Education
 - Ms. Shott received this email back from Dr. Sarah Martin, Director CTE, "Thank you for your inquiry into the potential of implementing a veterinary science program in Prince William County Public Schools (PWCS). The Career and Technical Education (CTE) Support Team is researching/reviewing the program in its entirety; including job outlook (workforce development needs), requirements for: teacher credential/endorsement, classroom/lab space, and equipment; Work-Based Learning opportunities and partnership, and student certification opportunities and post-secondary education alignment.
Once the research/review is complete, the CTE Support Team will determine the next steps.
Again, I appreciate the inquiry and your interest in implementing a veterinary science program in PWCS."
 - Ms. Crigger should sign-up to speak at an upcoming School Board Meeting [School Board Meetings - Prince William County Public Schools \(pwcs.edu\)](#)
- Zoning Pet Store Directive
 - No update this month.
 - Ms. Shott sent memorandum to Supervisor Boddye's Office. His office sent it to County Attorney. They are looking at the following actions:
 - 1) Changing code to allow Animal Control Officers to inspect Pet Stores
 - 2) Investigating how to update zoning and/ or code similar to other localities.
- Pitbull Subcommittee: Ms. Haufler provided an update on action points taken according to the priorities set for the pitbull subcommittee last Fall:
 - No update this month
 - Spoke with 2 different galleries to create an art exhibition in late summer, with theme of pitbull awareness in order to fund a spay and neuter clinic for pitbull PWC residents.
 - Connected with Arts Council and met 2 artists that are willing to feature their art in the expo. As well as a school arts contact to bring students to participate.
 - Got information from tshirt fundraising company to help fundraising efforts for the initiative.

- The subcommittee is still investigating ways to route funding to an outside 501c3 to handle donations for the spay and neuter clinic initiative.
